

# Management Plan

## Classroom Rules

*(The students will rank these in order of importance on the first day of class)*

1. Bring your materials (i.e. book, homework, paper and writing utensil) to class each day.
2. Do not talk or cause disruptions while others are talking.
3. Be supportive of ALL of your classmates, no putdowns.
4. Make every attempt to use the target language before resorting to the native language.

## Consequences

First offense: The student will be given a verbal warning.

Second offense: The student will write a paragraph in the target language explaining why he/she made the choice to break a rule.

Third offense: A meeting between the student, teacher and parents will be held.
